Terrain regulations sport fishing lake Watergoor

Bold the new/adjusted rules, these have been changed because the carp and sturgeon in the lake are getting bigger and heavier.

During your stay:

- Everyone who enters our site is deemed to have taken note of our site rules, which can be found on our public website www.hoopopgeluk.nl;
- Entrance to our site is at your own risk. The fishing club Hoop Op Geluk is not liable for damage what so ever, loss of goods, etc.;
- Fishing is exclusively reserved for members of Hoop Op Geluk;
- Parking is exclusively allowed in our car park and only driving at walking pace is allowed at our parking. This applies to all vehicles (cars, mopeds, bicycles, etc.);
- Campers and caravans are neither allowed on our (parking) site nor around the lake;
- The use of a shelter or tent is only allowed during fishing (max. size 3.2 x 3.2 x 1.8 meters);
- In winter time, maintenance is carried out on Saturdays (pruning and the like). During Summer time on Tuesday evening, the terrain is also mowed, keep that in mind (tent, fishing equipment and the like). Always keep a walking path of at least 1.50 meters around the pond for our maintenance personnel and emergency services. You are required to follow instructions from maintenance personnel;
- Waste must be kept in a bag or bucket at all times, including while fishing;
- Swimming, diving and boating prohibited;
- Riding around the pond with bicycles, mopeds, motorcycles or other vehicles is prohibited, with the exception of maintenance and emergency services;
- Annoying use of drugs and alcohol is not allowed;
- After 22:00 it should be quiet on the site, any family, friends and/or other non-fishermen should leave the site;
- Theft and/or destruction of fishing club property is reported to the police;
- Open fire has been prohibited by the city off Nijkerk (General Local Regulations). Open fire is therefore also prohibited at our lake;
- The use of a barbecue (BBQ) with glowing charcoal is allowed, provided the BBQ is not directly on the floor with the bowl;
- Dogs of members allowed, provided they are on a leash, remove excrement as soon as possible.

During fishing:

- Small trailers for your fishing gear may be parked at the fishing spot and need to be in the colors green, dark blue, brown, black or grey. That is also possible by a tarp or camouflage net, otherwise the trailers must remain in the parking lot;
- A maximum 2 rods (per member) is allowed (with an exception for a rigged spod rod);
- Fish at 1 fishing spot/place with 2 rods, so don't take up several places/pools;
- Storage bags for fish prohibited (except during formal competitions);
- Surface feeding and/or fishing is prohibited, with the exception of zigrig at least 50 cm from the surface;
- Fishing from the wooden bridge is prohibited;
- Advice: use barbless hooks;
- All fish shall be returned asap to the lake, except trout that may be taken;
- **Use unhooking mat (minimum size 110 x 75 x 8 cm) mandatory for all fish species with the exception of roach, perch and eel;**
- **When landing the fish, a landing net of at least 90 cm wide is mandatory;**
- It is forbidden to leave baited rods unattended.
